

# # babyname month 28

MONTH 28

I enjoy reading and playing with you and dad

LOL I am so funny – I can jump up to surprise you with peek-a-boo!

When we are outside I can describe what I see

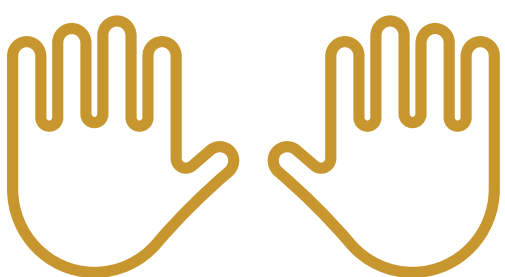

If I want to ask for something I can use gestures to make a request

I am learning different ways to think and I can make the connection between pictures and the real world

I can run, climb, and jump

Story time and I can use hands and fingers to turn the pages of the book
